A Note from the CEO

Hello Affinity One membership! First, I can't express enough how grateful we are for your membership. Second, we have a lot of exciting things coming up at the credit union, along with a few new products in the works. Make sure you are following our Facebook page for all our updates! Don't forget to bring your family and friends to Affinity One and remind them SWITCHING IS EASY!

Last, a friendly reminder with the holiday season upon us, fraud is more evident than ever. We will never contact you and ask you for personal information. Like many others, our phone number is used as a disguise number for fraudsters. If you aren't sure, HANG UP AND CALL US DIRECTLY!

Happy Holidays! :)
